HEALTH AND BEAUTY SALON

CORONAVIRUS GUIDELINES

Please read the following Government Guidelines and familiarise yourself with them before your appointment.

- **On Arrival** your temperature will be taken and you will be asked to fill in a simple questionnaire so that we can make sure that with all our clients we are following the Government Guidelines for track and trace. This information will be stored in a safe place for 21 days then destroyed.
- **Appointments** must be cancelled if you are FEELING UNWELL, we completely understand. But due to our team being in high demand please try to give as much notice as possible so we can make arrangements for the appointment to be filled by awaiting clients.
- **PPE** is to be worn by both the client and The Aspects of Beauty Team whilst in the salon. Aspects of Beauty will provide your PPE, this is so we can control the usage and ensure fresh protection is worn (a minimal charge of £2 will be added to your treatment).
- **Social Distancing** markers will be present throughout the salon so please abide by these.
- **Hand Sanitiser** will be available on entry for you to use when you arrive and throughout the salon.
- **Punctuality** is exceptionally important. Please arrive at your appointed time. If you are early you may be asked to wait outside or in your car due to social distancing restrictions until you appointment time is due.

- **Guests** are not permitted to stay whilst you are having your treatment, so PLEASE COME ALONE!
- **Children** are not allowed in the salon unless they have an appointment themselves.
- **Refreshments** will not be provided at this time. If you wish for a refreshment, then please bring your own.
- **Toilet Facilities** will still be available and a member of our team will be regularly disinfecting and sanitising this area.
- **Appointment Times** will be affected due to our team disinfecting and sanitising between each and every client. Therefore we will only have a limited amount of appointments during each working day.
